VOLUNTEER WITH US

What makes volunteering at Student Life Kids Camp different?

LEADERSHIP.

Our Staff Volunteer program is designed for 11th & 12th grade students who are looking to grow in their faith and serve as a leader. This is a great opportunity to share with the Student Pastor at your church who might be looking for intentional moments to teach their students about servant leadership.

When a staff volunteer group arrives at camp, they will quickly be given the title "Staff Volunteer" and will serve with our staff all week long. They will help with load in, check-in, housing, recreation, hospitality, camp store, production, and more! The best part? You will be serving together as a group all week long! This opens the door for milestone moments to take place within your ministry, so that they will go home with your ministry.

Visit our Staff Volunteer page for more info and to save your students' spot today!
