

Happy February Student Life Kids Camp Family! We have some exciting updates in regards to camp prep! Get caught up now with Jared in this month's video update.

As discussed in the video, this is a big month for Student Life Kids Camp required forms. Read this month's newsletter in full to get key information, such as your REG ID.

THE PREP CENTER IS HERE

Have you been to the FULL Prep Center yet? If you visited the Prep Center previously, you're going to want to check out the final updates. Click below to view steps 1-6 on your Prep Center.

FORMS UPDATE

Speaking of the Prep Center, one step you **DO NOT WANT TO MISS** is **Step 2: Forms!** This step is now updated with new required forms, information, and links.

Here are some things to highlight:

1. Our updated Child Protection Training requirement for all adult leaders attending camp will be available in March, so mark your calendars!
2. Waiver and Release forms will require your group's unique REG ID to complete. This REG ID will auto-fill important

information, such as camp location and church information, making the Waiver and Release form simple and fast to complete.

To share with your group: Send the following link and REG ID with the parents or guardians of each child in your group. Don't forget your adult leaders, too! We've provided a document to help distribute this information to your group [here](#) and on [Step 2 of the Prep Center](#). Simply add your REG ID!

Parents and guardians should start here to sign the waiver:

REGISTRATION LANDING PAGE

In last month's newsletter we introduced a new way to view your camp information, our Registration Landing Page!

Like Jared mentioned, our Participant List system includes an initial landing page showing you everything from contact information, to your current registration number, to your deposit and final balance, all in one easy view. Using the buttons at the bottom of the page, you can easily navigate to the Prep Center, request an emailed camp statement, or make a payment from this page. If you need help navigating this platform, refer to the the screen grabs pictured in this month's newsletter video.

Click the button below to access your landing page now. Don't forget to copy your REG ID pictured above, you'll need that to log in!

SPIRIT PACK UPDATE

We're excited to offer you **TWO** options to order Spirit Packs. One option allows you to purchase packs for everyone in your group (adults included), and the other is available if only a few people in your group are planning to order. Read below for more information on both!

Purchase now for your whole group and save!

Spirit Packs include things like a drawstring bag, a hat, sunglasses, eye black, and a water bottle all in your squad color: **a \$40 value for just \$30** when you order for your whole group! (**Note: final contents of the pack varies*)

If you're ready to order, please fill out [this form](#). Our team will reach out and send an updated statement when this has been processed and added to your registration balance. Spirit packs will be ready for pickup from the Store Coordinator at camp. Easy, right?!

Don't want to add them to your full group?

We have a new process this year for parents in your group that would like to purchase a spirit pack for their child. We've provided parents with all the details about Spirit Packs in the Parent Pack found on the Parent Page. In this Parent Pack there is a tear-off order form to be filled out and **returned to you** with their payment of \$35 for an individual pack.

If you don't plan to order Spirit Packs for your full group, we ask that you receive these order forms from parents and place the order online via [this form](#). Just like group orders, the individual pack prices will be added to your registration balance, and individual Spirit Packs will also be

ready for pickup at camp. This new process will allow you as the Group Leader to have more control over the Spirit Pack ordering process, even with individual orders.
