

Spirit Packs

We're excited to offer you TWO options to order Spirit Packs. One option allows you to purchase packs for everyone in your group (adults included), and the other is available if only a few people in your group are planning to order. Read below for more information on both!

Option 1

Purchase now for your whole group and save!

Spirit Packs include things like a drawstring bag, a hat, sunglasses, eye black, and a water bottle all in your squad color: a **\$40 value for just \$30** when you order for your whole group! (*Note: final contents of the pack varies)

If you're ready to order, please fill out [this form](#). Our team will reach out and send an updated statement when this has been processed and added to your registration balance. Spirit packs will be ready for pickup from the Store Coordinator at camp. Easy, right?!

Option 2

Don't want to add them to your full group?

We also have an easy process for parents in your group that would like to purchase a spirit pack for their child. Launching March 1, we'll provide parents with all the details about Spirit Packs in the Parent Pack found on the Parent Page (available after January 31st). They will be given a tear-off order form to be filled out and **returned to you** with their payment of \$35 for an individual pack.

If you don't plan to order Spirit Packs for your full group, we ask that you receive these order forms from parents and place the order online via [this form](#). Just like group orders, the individual pack prices will be added to your registration balance, and individual Spirit Packs will also be ready for pickup at camp. This new process will allow you as the Group Leader to have more control over the Spirit Pack ordering process, even with individual orders.

If you have questions, our customer service team would love to help figure out what is the best option for your group! Call us at **(800) 718-2267** or email us at **slinfo@studentlife.com**.
